

Summer Camp Refund Policy 2024

Day Camp:

- Prior to April 1st, there are no fees or penalties for withdrawing from any camp program.
- As of April 1st, there will be a \$33 (20%) withdrawal fee applied to any withdrawal from the program. This does not apply to transfers from one program to another, or credits; the fee only applies to refunds requests from the program.
- As of June 1st, there will be a \$66 (40%) withdrawal fee applied to any withdrawal from the program. This does not apply to transfers from one program to another, or credits; the fee only applies to refunds requests from the program.
- Beginning two weeks prior to the scheduled start date of the camp, only credits for other Naz Rec programs will be given; no refunds are allowed. There is a \$66 (40%) penalty fee applied to any credits taken. Credits can be applied to any one program of equal or lesser value during the remaining calendar year.
- Beginning at the scheduled start date of the camp, no credits, transfers or refunds are allowed.

Summer Day Camp Extended :

- Prior to April 1st, there are no fees or penalties for withdrawing from any camp program.
- As of April 1st, there will be a \$24 (20%) withdrawal fee applied to any withdrawal from the program. This does not apply to transfers from one program to another, or credits; the fee only applies to refunds requests from the program.
- As of June 1st, there will be a \$48 (40%) withdrawal fee applied to any withdrawal from the program. This does not apply to transfers from one program to another, or credits; the fee only applies to refunds requests from the program.
- Beginning two weeks prior to the scheduled start date of the camp, only credits for other Naz Rec programs will be given; no refunds are allowed. There is a \$48 (40%) penalty fee applied to any credits taken. Credits can be applied to any one program of equal or lesser value during the remaining calendar year.
- Beginning at the scheduled start date of the camp, no credits, transfers or refunds are allowed.
